

GREEN MOUNTAIN MUSIC

-A non refundable one-time registration fee of \$60 per student will be due at the time of scheduling recurring lessons. This fee will be deducted from your first month of lessons at time of monthly payment.

-30 minute lessons are \$160/month. 1 hour lessons are \$320/month. Lessons are taught once weekly. You are paying to reserve your standing spot, not for the amount of lessons used.

-The monthly lesson amount is to be paid in full by the first lesson of the month.

-A family discount of \$40 off per student per month will be applied if multiple family members sign up for monthly lessons or multiple lessons are booked. This discount will only be applied to monthly standing lessons and not partial months or single lessons.

-Green Mountain Music follows the Rutland City public school holiday calendar. We will also be closed for major holidays over the Summer. Make-up lessons and proration will not be offered for public school or Summer holidays as we do not charge extra for 5 week months.

-Make up lessons will be attempted if Green Mountain Music is made aware of your scheduling conflict 24 hours in advance or if your absence is deemed an emergency. It is the responsibility of the student to schedule the make-up lesson. Make-up lessons are attempted but not guaranteed due to highly limited space and availability.

-If no warning is given in advance and a lesson is missed, no make up lesson, refund, or proration will be attempted in its place.

-If your teacher is not available for your lesson you will be notified in advance and offered a make-up lesson, online lesson or proration for your next month of lessons.

-If taking a hiatus for more than 2 weeks you may reserve your spot by paying a non-refundable fee of \$60 per month for one month only. Otherwise your standing time will be made available to other students.

-Please make checks payable to: Green Mountain Music or Venmo: @greenmountainmusic
