-A non refundable one-time registration fee of \$60 per lesson booked will be due at the time of scheduling recurring lessons. This fee will be deducted from your first month of lessons at time of monthly payment. No students will be added to the teaching calendar until the registration fee is paid in full.

-30 minute lessons are \$160/month. 1 hour lessons are \$320/month. Lessons are taught once weekly. You are paying to reserve your standing lessons, not for the amount of lessons you are able to or choose to attend.

Please make checks payable to: Green Mountain Music or Venmo: @greenmountainmusic

-The monthly lesson amount is to be paid in full by the first of the month. We accept cash, checks, and Venmo. If you are paying by check or cash please ensure that you have settled your balance by the first of the month. Checks may not be mailed. Failure to pay your balance in full by the first of the month will result in the loss of your standing lesson time.

-A family discount of \$40 off per added student per month will be applied if multiple family members enroll for monthly lessons or multiple lessons are booked by a single student. This discount will only be applied to monthly standing lessons and not partial months or single lessons. This discount does not apply to extending half hour lessons to hour lessons.

-Green Mountain Music follows the Rutland City public school holiday calendar. The studio will be closed for Thanksgiving break, December break, February break, Spring break, 4th of July, and 2 weeks in the Summer. Which 2 weeks you will have off during Summer Session will vary by teacher. You will be informed by your teacher of your 2 week Summer Break before the start of Summer Session. Please be aware when booking that all Monday holidays will be observed.

-If taking a hiatus for more than 2 weeks you may reserve your spot by paying a non-refundable fee of \$60 per month for one month only. Otherwise your standing time will be made available to other students.

- If you are unable to attend your lesson please let your teacher know at your earliest convenience.

-Missed standing lessons will not result in a make up lesson or proration.

-If you have an illness or personal conflict and would like to try to reschedule, please contact your teacher directly for their availability via text or email. Rescheduling a standing lesson is at the discretion of the teacher and attempted, not guaranteed, due to limited availability. Lessons canceled without 24 hours notice may not be rescheduled for any reason. If you are unable to attend your standing lesson you are not ensured a make up lesson in its place. No proration will be offered for missed lessons. Missed lessons may not be used as credits or rolled into the following month. Future standing lessons may be extended to accommodate rescheduling but not used to replace prior standing lessons. Rescheduled lessons must occur within 14 days of the missed lesson and may not be used to extend the payment cycle. Please check in with your teacher about their personal rescheduling policies and practices before booking.

-If you need to change your standing lesson day or time permanently you may contact Helen at greenmountainmusic.vt@gmail.com

-If no warning is given in advance and a lesson is missed, no rescheduling or proration will be provided in its place.

-If your teacher needs to reschedule your standing lesson due to personal conflict you will be notified in advance and offered a make-up lesson, either online or in person, within 14 days of the cancellation.

-If your teacher needs to cancel due to illness you will be notified in advance. Your teacher will then set a make up day within 14 days of the missed lesson. No make up lessons or proration will be offered if you are unable to attend a teacher's sick leave alternative lesson day.

-If it is deemed unsafe for teachers or students to travel to/from the studio due to weather related emergencies, lessons will be automatically moved online and remain at your regular day and time. No make up lessons or proration will be offered for weather related closures.

-Do not enter the studio if you are sick. Anyone exhibiting symptoms of illness are expected to move their lessons online or attempt to reschedule when their health improves. Online lessons are taught via Zoom or Facetime and organized with your teacher directly. Students that arrive at the studio with visible symptoms will be asked to mask or leave, at the discretion of the teacher. If asked to leave there will be no opportunity to reschedule your lesson.
